# Nori-Temaki 海苔手巻き

Please enjoy the seaweed hand-rolled a new sense stuck to thoroughly all of the seaweed, and rice, and ingredients.

海苔・シャリ・ネタ、すべてに徹底的にこだわった  
新感覚の海苔手巻きをお楽しみください

As a result of thoroughly sticking to the texture and flavor of seaweed, we have been using seaweed from "Maruyama Nori-ten", a long-established store founded 160 years ago. Its features are the mellow taste, and flavor, and light chewiness. Please, enjoy the texture of "Ariake Nori" with a crispy and extravagant flavor. In addition, we also have a Boston lettuce between "Nori" and "Shari" in order to keep the texture of crispy seaweed even a little more longer.

海苔の食感、風味に徹底的にこだわった結果、創業160年の老舗、丸山海苔店の海苔を使用しております。自然な香りと味わい、軽い歯ざわりが特徴です。パリッとして歯切れのよい、野趣あふれる味わいの有明産海苔の食感をお楽しみください。また、少しでも長くバリバリの海苔の食感を味わっていただくため海苔とシャリの間にはサラダ菜を挟んでいます。
